If you do not find the answer to your question here or on the website, complete the [Contact Us](#) form on this website and our knowledgeable staff will respond promptly.

IP & FPGA Products

How do I obtain an evaluation copy of an IP core?

Microtronix provides a 30-day OpenCorePlus IP core to qualified requests. Complete the [Contact Us](#) form with all of the specified information fields. Provide either your NIC or Guard ID and we will provide the required license file. The files are provided via FTP.

How to get the IP Core License Agreement?

The licence agreement is bundled with each IP Core product. The standard IP Core License Agreement is available from the Download Area. [IP Core Licence Agreement \(pdf\)](#)

Are there any royalty fees for the use of an IP Core?

There is no royalty fees associated with the use of the IP core in a customer's products. If your IP design is sold to a third party as an IP for incorporation into their product they are required to purchase their own IP Core license.
